

At Citizens Bank, we are a family of customers and employees living and serving in the communities we love. Your health and safety are a top priority as we closely monitor all reports from the CDC and State Health Department regarding the Coronavirus (COVID-19). We have taken precautionary measures with your health and safety in mind and are focused on serving our communities with the dependability you've come to expect from Citizens Bank.

Effective Wednesday, March 18th, our branch locations in Robertsdale, Fairhope and Foley will operate with Drive-Thru services only. We are expanding our Drive-Thru services and will do our very best to accommodate any banking needs that are normally conducted in our lobby settings. We are committed to offering options that allow you to continue banking with ease. Our Online Banking and Mobile Banking let you check balances, view transactions, transfer funds and much more.
